Once the driver has left your site, frozen and cooler items cannot be returned and will not receive credit.

**How to Request a Credit:** There are 4 options for requesting credits. For accurate and timely processing of your credits, please follow these guidelines:

1. Use the Credit Request Form on our website, OR
2. Fax your request to 877-842-6352, using the correct Claims Form. (To get the form, call 800-451-2525, select option 3, then option 5 and leave your fax number; we will fax you the form.), OR

# Policies & Business Information

Over twenty five years ago a group of visionary companies shared the goal of bringing healthier and more natural food to people across the country. Those companies—Mountain People's Warehouse, Cornucopia Natural Foods, Stow Mills, Rainbow Natural Foods, Blooming Prairie Cooperative and Northeast Cooperatives—shared a commitment to nourishing people, communities and the planet. Today, as United Natural Foods, that commitment is stronger and deeper than ever and is manifested in a proactive concern for the environment, a reverence for the land and sustainable agriculture and the importance placed on core values and social responsibility in the way we do business.

United Natural Foods, Eastern Region, operates distribution centers in: Atlanta, GA; Chesterfield, NH; Dayville, CT; Greenwood, IN; York, PA and Iowa City, IA. We supply a broad selection of natural and organic products to stores, institutions and consumer buying clubs throughout the region.

**BUYING CLUB SERVICES:** To assist our Buying Club customers, UNFI provides Web Ordering at no charge. Web ordering simplifies operations with features such as:

\*Consolidates member orders into one order for the warehouse

\*Member IDs print on warehouse pick labels for quicker distribution

\*Simplifies case sharing among members

\*Electronic invoice processing generates individual member's invoices

Visit our site at [www.unitedbuyinclubs.com](http://www.unitedbuyinclubs.com) for more information on Web Ordering, buying club resources, suggestions on how to best organize and operate your club, news, and other information.

For effective and efficient communication between United Natural Foods and your buying club all communication should be funneled through your buying club coordinator for specific issues, such as credits, ordering, or delivery arrangements.

**TERMS:** Standard terms for all orders are COD.

Checks returned unpaid (bounced) are subject to a \$25 penalty and the loss of volume discount. When paying for your delivery, make sure your account number and group name are on the check.

**DELIVERY PROCEDURES:** Our drivers work hard to keep their deliveries on time and provide good service. Please help them stay on schedule by following these procedures:

- Select an easily accessed delivery site where a tractor trailer can be easily maneuvered. Avoid cul-de-sacs, dirt or gravel roads, and low-hanging wire or viaducts. Final approval of delivery sites rests with the Transportation Department. The safety of our customers, our drivers and everyone at the delivery site is of primary concern.
- Each customer will be assigned a regular delivery day based

on our truck schedules in the area. UNFI will make all efforts to keep your delivery schedule as consistent as possible, but it is subject to change.

- Delivery time of day may vary from delivery to delivery.
- Customers are responsible for unloading the truck using our unloading procedure. Drivers will either bring the product to the back of the truck for your group to unload or use a lift gate to lower it to ground level. A minimum of three adults from your buying club must be present to unload your order.
- Credits for frozen and refrigerated product can only be issued by the driver at the time of delivery. Customers are responsible for carefully checking all frozen and refrigerated product for errors or damage before the driver completes the paperwork. The driver can issue credits for other missing, mis-picked or damaged goods at the time of delivery.
- The grocery or dry items are a piece count. The driver will give you the number of boxes that are to be on the truck and your group counts the number of boxes.
- To help the driver get to his/her next delivery on time, your group will need to go through repacks after the driver has gone.
- Any repack or grocery errors will need to be handled through the Claims process (Claims & Adjustments below).
- Customers are responsible for signing each invoice to acknowledge that all items billed have been received in good condition or credited.
- **PICKUP ORDERS:** Appointments to pick up your order may be made when placing your order. Pick up hours are:
  - **Atlanta - 8am-4pm M-F**
  - **Chesterfield - 7am-2pm M-F**
  - **Dayville - 8am-2pm M-F**
  - **Greenwood - 8am-4pm M-F**
  - **Iowa - M, W, TH & F - 8am - 2pm; TU 8am-5pm**
  - **Moundsview - W, F by Appointment**
  - **Racine - 6am-2pm M-F**
  - **Sarasota - 8am-5pm M-F**
  - **York - 9am-5pm M-F**

A \$350 minimum order is required for orders picked up at the warehouse. Pickup times must be scheduled in advance. We are unable to make any changes to your order the day you pick it up. Payment is by check or money order only—no cash. The warehouse is extremely busy, so please follow these procedures: The customer is responsible for checking the order against the invoice.

Please send two people to transfer product to your vehicle.

Groups may not breakdown the order at the warehouse.

For safety reasons, no one under 18 is allowed in the warehouse.

**MINIMUM ORDERS:** Orders picked up at our warehouses: \$350. Delivered orders: \$750, unless a higher minimum is assigned by Transportation due to your location and distance from the warehouse or our routes.

**MINIMUM ORDER FREQUENCY:** Like other wholesalers, United Natural Foods sets minimum order size and order frequency required for service on our delivery routes. Order cycles are assigned by the Transportation Department and are once every four weeks.

**SALES TAX:** Sales tax will be applied to all taxable products purchased by buying clubs unless we have a valid resale tax certificate on file. Tax is based on your delivery location.

**VOLUME DISCOUNTS:** Volume discounts apply to most regularly priced items. Volume discounts are not applied to items already on sale, deposits, fees and selected products. For a list of products not subject to volume discount, contact your buying club coordinator. If your volume discount is more than a monthly special discount, the volume discount will apply. Your volume discount level is reviewed and assigned twice per year, based on your purchase history, although we are happy to make adjustments at any time for groups whose orders are increasing. Coordinators with questions about volume discounts can contact Buying Club Services (see Who to Contact in the front of this pricelist).

**ORDERING INFORMATION:** Customers are encouraged to place orders using our Web Ordering. Orders may also be placed by telephone, fax, or email. Orders are generally due three days before your truck leaves, however, earlier deadlines may be assigned. Telephone orders are taken Monday - Friday on an individually scheduled basis. When calling, please have your entire order ready, including your customer number and product ID numbers and be prepared to make substitutions if necessary. Ordering Phone and Fax Numbers: see Who To Contact in the front of this pricelist Fax cover sheets and email orders should include your order person's name and phone number in case there are questions about your order, as well as your UNFI customer name and account #.

**PRICING POLICIES:** Your order is priced based on the DAY YOUR TRUCK LEAVES THE WAREHOUSE. Prices are not guaranteed and rapidly changing market conditions may result in occasional price changes.

**CREDITS & ADJUSTMENTS:** One person from your group should be responsible for communication with us and follow through for all claims for your members.

**Frozen and Refrigerated Items:** Credits for frozen and refrigerated product can only be issued by the driver at the time of delivery. Customers are responsible for carefully checking all frozen and refrigerated product for problems before the driver completes the paperwork.

**Credits & Adjustments at Delivery:** The driver can issue credits for other missing, mis-picked or damaged goods at the time of delivery.
